Agro-met Advisory

There is forecast of light to moderate rainfall from 27th June to 1st July, 2020.

There is forecast of light to moderate failman from 27 June to 1 Juny, 2020.							
Crop	Stage	Agro Advise					
Kharif rice	Seedling	• As there is forecast for light rainfall during next five days, provide irrigation to rice nursery.					
		• In SIRA method of rice cultivation, incorporate 2 tonnes per acre glyricida leaves at the For controlling the crabs from rice field, in initial stage collect the crabs in torch light for 2 to 3 nights and destroy it. Then use bait prepare with the help of cook rice from 1 kg of raw rice and add insecticide Acephate 75WP @ 75 gm and make 100 arecanut size balls and keep them in each crab burrow and close it with wet mud. On the next day if some of the burrows are found open, again put the bait. For better control continue it for 7 days and also perform					
		cooperatively with other farmers (Note: insecticide is not under label claim).					
Finger millet	Nursery	• As there is forecast for light rainfall during next five days, provide irrigation to finger millet nursery.					
Sapota	Fruiting	• There is possibility for fruit drop due to fungal disease during rainy season, to control the fruit drop, spray 1% bordomixture on to tree when intensity of rainfall is low.					
Jackfruit	Vegetative	• For above five year old jackfruit tree, apply 20 kg well decomposed F.Y.M. along with 1 kg urea, 1.5 kg single super phosphate and 500 gm muriate of potash in circular basin. Apply 1/5 th ,2/5 th , 3/5 th and 4/5 th of above-mentioned fertilizer dose per tree for 1,2,3 and 4-year-old jackfruit orchard, respectively.					
Cucurbitaceo us crops	Vegetative	• As there is forecast for light rainfall during next five days, provide irrigation to cucurbitaceous crops.					
1		Proper support should be given to cucurbitaceous crops which are in growing stage.					

Note: Spray insecticide or fungicide solution and apply fertilizers when intensity of rainfall is low. Mix sticker into spraying solution.
